Mr. Wesley J. Liebeler
c/o United States Attorney's office
Dallas, Texas

Dear Jim:

These are the two letters from Congressman Ford and the materials from the Federal Bureau of Investigation which I discussed with you on the phone. I am keeping for our files the single set of photographic slides taken at the time of Oswald's autopsy. Please discuss with Arlen and let me know what your decision is regarding depositions of Doctors regarding this matter or the issuance of a subpoena for the film referred to.

Sincerely,

SIGNED

Howard P. Willens
